from the agency as confirmation of receipt. If the sender does not receive an automated acknowledgment of the receipt of the comments, it is the sender's responsibility to ensure timely receipt by other means.

(b) *Consideration of comments.* (1) The responsible official shall consider all written comments submitted in compliance with paragraph (a) of this section.

(2) All written comments received by the responsible official shall be placed in the project file and shall become a matter of public record.

§ 218.26 Objection time periods.

(a) *Time to file an objection.* Written objections, including any attachments, must be filed with the reviewing officer within 45 days following the publication date of the legal notice of the EA or final EIS in the newspaper of record or the publication date of the notice in the FEDERAL REGISTER when the Chief is the responsible official (see § 218.7(c)). It is the responsibility of objectors to ensure that their objection is received in a timely manner.

(b) *Time for responding to an objection.* The reviewing officer must issue a written response to the objector(s) concerning their objection(s) within 45 days following the end of the objection filing period. The reviewing officer has the discretion to extend the time for up to 30 days when he or she determines that additional time is necessary to provide adequate response to objections or to participate in resolution discussions with the objector(s).

Subpart C—Provisions Specific to Proposed Projects Authorized Under the Healthy Forests Restoration Act

§ 218.30 Applicability and scope.

This subpart includes provisions that are specific to proposed hazardous fuel reduction projects documented with a Record of Decision or Decision Notice, and authorized under the Healthy Forests Restoration Act (HFRA). The sections of this subpart must be considered in combination with the general provisions of subpart A of this part for the full complement of regulatory di-

rection pertaining to predecisional administrative review of the applicable projects and activities.

§ 218.31 Authorized hazardous fuel reduction projects subject to objection.

(a) Only authorized hazardous fuel reduction projects as defined by the HFRA, section 101(2), occurring on National Forest System land that have been analyzed in an EA or EIS are subject to this subpart. Authorized hazardous fuel reduction projects processed under the provisions of the HFRA are not subject to the requirements in subpart B of this part.

(b) When authorized hazardous fuel reduction projects are approved contemporaneously with a plan amendment that applies only to that project, the objection process of this subpart applies to both the plan amendment and the project.

§ 218.32 Objection time periods.

(a) *Time to file an objection.* Written objections, including any attachments, must be filed with the reviewing officer within 30 days following the publication date of the legal notice of the EA or final EIS in the newspaper of record or the publication date of the notice in the FEDERAL REGISTER when the Chief is the responsible official (see § 218.6(c)). It is the responsibility of objectors to ensure that their objection is received in a timely manner.

(b) *Time for responding to an objection.* The reviewing officer must issue a written response to the objector(s) concerning their objection(s) within 30 days following the end of the objection filing period.
